## When indulgence = necessity.

As times change, an elevated seating experience has become  
a modern necessity for both the home and workplace.

# Wonder

Wait no longer. The Wonder Series is here to exceed your expectations for an ergonomic chair that is sleek in design, sophisticated in function, and luxurious in comfort. This series also employs a user-centric mechanism that allows easy control from both sides of the chair.

# Everything you've wanted in a chair,

For maximum comfort and the ultimate support for your head and neck – a substantial mesh headrest that feels almost pillow-like. With a larger-than-usual adjustment range, customise it according to your needs and experience the world of difference it makes.

# and more.

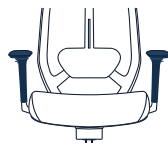

Adjustability

**Headrest Adjustment**  
Adjust the height of the headrest to provide head and neck support while you are in a reclined position.

**Adjustable Lumbar Support**  
Change the height of the lumbar support to fit the natural curve of your spine.

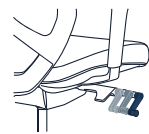

**3D Adjustable Armrests**  
Three possible directions for adjustments to support your arms and take weight off your shoulder.

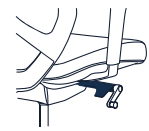

**Seat Depth Adjustment**  
Adjust depth of seat to accomodate upper leg length, distributing weight evenly across seat cushion.

**Backrest Lock**  
Backrest lock allows locking at an upright or comfortable reclined position.

**Tension Control**  
Tension control allows user to adjust the amount of resistance according to one’s weight and preference.

**Seat Height Adjustment**  
Adjust the seat height according to individual preference for better blood circulation in your lower limbs.
